

Someone

6 Dogs

Running through the guap like a drive thru
It don't matter if its hard I'm right beside you
And she on my neck cause it cost two
I got the dope in my damn shoe
Dope make me feel like a no one
Dope make me feel like a no one
Dope make me feel like a no one
Prolly cause I'm just another someone

Fuck this cash, it make me sad
Fuck this cash, make it stack
Only rule, secure the bag
Blow the sack, make it back
Double Gs on my hip
Double Gs on my lip
Fuck this clout, it's a trick
Get the chips, then I dip
Fuck this cash, it make me sad
Fuck this cash, make it stack
Only rule, secure the bag
Blow the sack, make it back
Double Gs on my hip
Double Gs on my lip
Fuck this clout, it's a trick
Get the chips, then I dip

Slidin' on your hoe like a playground
Even when I'm up Ima stay down
Yeah I'm gettin' money in the paypal
Taking what I want like its lost and found
And I got that flame like some 'rilllos
6 Dogs I am just normal
But I do not go where they go
Where they bite the swag, hungry hippo

Running through the guap like a drive thru
It don't matter if its hard I'm right beside you
And she on my neck cause it cost two
I got the dope in my damn shoe
Dope make me feel like a no one
Dope make me feel like a no one
Dope make me feel like a no one
Prolly cause I'm just another someone

Fuck this cash, it make me sad
Fuck this cash, make it stack

Blow the sack, make it back
Double Gs on my hip
Double Gs on my lip

Fuck this cash, it make me sad
