Wallaby  
Yeah, wallaby  
Wallaby

You can be anything you wanna be  
I just passed "Go" 200 wallabies  
Throw that money now, watch it follow me  
I just passed "Go" 200 wallabies  
42 Wallaby Way Sydney  
I just feel like a dream, please pinch me  
Nemo underwater is glistening  
Kangaroo cash, counting wallabies

You can be anything you wanna be  
You can be a koala climbing koala trees  
Haters on my line, won't stop calling me  
It seems bad, like you're barking up the wrong tree  
It's the wrong tree, yeah I'm saucing  
Yeah I'm hopping, just like a kangaroo  
Amazing how we coming up  
We ain't coming down just like koalas do

You can be anything you wanna be  
I just passed "Go" 200 wallabies  
Throw that money now, watch it follow me  
I just passed "Go" 200 wallabies  
42 Wallaby Way Sydney

Aye man, shout out Steve Irwin  
We ain't forget about you in 2020
