

Zero Gravity

6 Dogs

(Pretty Pacc)

(Mm-mm, yeah
Mm-mm, yeah
Mm-mm, yeah
Mm-mm)

Zero gravity
Falling (Into hyper-sleep)
My chain jump like I'm jumpin' on a trampoline
(A shadow on the ground where my feet should be)
Zero gravity
Falling (Into hyper-sleep)
My chain jump like I'm jumpin' on a trampoline
(A shadow on the ground where my feet should be)

Thumbn' through these racks in hyperspeed
I'm runnin' sprints (Soarin', soarin')
Thumbn' through these racks in hyperspeed
I'm runnin' sprints (Soarin', soarin')

Thumbn' through these racks in hyperspeed
I'm runnin' sprints in designer skinny jeans
Through the lens of some really rich teens, I don't need you
Then again, I don't need my spleen
I drip insane since like the first grade
I don't ball to get paid, I ball to make a wave
Jumpin' into picture frames like Mario 64
And I'm beggin' for your love 'cause I need to get more

Zero gravity
Falling (Into hyper-sleep)
My chain jump like I'm jumpin' on a trampoline
(A shadow on the ground where my feet should be)
Zero gravity
Falling (Into hyper-sleep)
My chain jump like I'm jumpin' on a trampoline
(A shadow on the ground where my feet should be)

I can't find my memories
Lately falling in my dreams
I can't find my memories
