645AR

Got my racks up, I'm the same nigga from back 'den
I been gettin' money since way 'den
DayDay bless shit just like amen
You ain't talkin' guap, then what you say 'den?

Fuck school, I hit the bank
Call up Reddo for some drank
Geekin', I can't move just like Plank
Toking gas, and you know it stank
DayDay play your bitch just like prank
Run up a check like a hill
Run up a check just like Bill
DayDay get money for real
Niggas know I'm in the field
Y'all niggas beef on the internet
Pussy nigga, we ain't into that
I'm up in Saks, nigga, spendin' that
Wanna be like me, he ain't gettin' that
Let's go, flex mode
Bankrolls, count more
Got them racks, you know I need more
Racks on the floor

Got my racks up, I'm the same nigga from back 'den
I been gettin' money since way 'den
DayDay bless shit just like amen
You ain't talkin' guap, then what you say 'den?
