AR with' da bag, yeah, I'm so in my bag
Niggas sneakin', niggas plottin', got it in the bag
Lennox mall, poppin' white boy tags, white boy tags
Thang tucked
Ain't no chain tucked

If it ain't about a check don't hit my phone
Can't see these niggas, got Steve Maddens on
I'm on that fuck shit, I don't feel these niggas
Came from nothin', had to boss up on these niggas
Check my jacket, money [?] on these niggas
On my momma, I can't trust not one of these niggas
I-I'm in it for the check, fuck the fame
They said I changed, copped the check, then got a chain, damn

AR with' da bag, yeah, I'm so in my bag
Niggas sneakin', niggas plottin', got it in the bag
Lennox mall, poppin' white boy tags, white boy tags
Thang tucked
Ain't no chain tucked
