

Get 2 A Check

645AR

Everybody gotta get to a check
Niggas stayin' but we just aim for respect
Just act controlling then we cool at your neck
I ain't from Atlanta but [?]
Make the bitch walk in with [?]
Came a long way from the 50 Cent tape
All my niggas eating and I gotta full plate

Eating pussy good, we should eat
Street nigga, keep it in the street
Eat beef bitch said I'm cheap
Drop a bag think a nigga sweet
Couple niggas want me dead
They said this on my head
I done seen some crazy shit, now all I see is red
Fucked up in the head, that's why I keep taking these meds
Nah they them niggas, they don't stand on what they said
Had some niggas creep up on me like I ain't wake up in your bed
3, 2, 1, you dead

Everybody gotta get to a check
Niggas stayin' but we just aim for respect
Just act controlling then we cool at your neck
