Eee

Walk out the bank with them racks  
Need a check like '90s crack  
Play with them racks, get your main hitta whacked (Prrt)  
Think I'm in love with a stripper  
Got her in the hood 'round dealers and killers

Eee  
Got my bitch a Birkin with some racks in it  
They put me in the game, I'm in it to win it  
If it's up, your block, we spin it (Prrt)  
Niggas know that gun go off  
Make the wrong move, then it cost  
You not that guy, she want a boss  
Hair, nails, ass, it's all gon' get done  
Shawty bust it 'cause I am the one  
After L, it come an M  
Make the wrong move, stay on your ten  
Been holdin' this shit down since back then

Walk out the bank with them racks  
Need a check like '90s crack  
Play with them racks, get your main hitta whacked (Prrt)  
Think I'm in love with a stripper  
Got her in the hood 'round dealers and killers
