

Dior with the Rick  
Your bitch be on my dick  
Can't worry 'bout no bitch  
Only put this in the stick  
Hold up, hold up, hold up  
Dior with the Rick  
Your bitch be on my dick  
Like tea we not sip  
That side be tryna kick  
If I'm in this bitch  
Walkin' in this bitch

Used to kick it on the leg  
Kill some niggas and take dirty meds  
Kicked that nigga hoe into her face  
Free them bros locked inna cage  
8 of them hoes are at the bnb  
Hold my huh, phone on DND  
 Fucked her good keep the glick on me  
Cause you know these don't speak

Dior with the Rick  
Your bitch be on my dick  
Can't worry 'bout no bitch  
Only put this in the stick  
Hold up, hold up, hold up  
Dior with the Rick  
Your bitch be on my dick  
Like tea we not sip  
That side be tryna kick  
If I'm in this bitch  
Walkin' in this bitch
