

S Skrrrr got a shank by his arsehole
Flick that, shank man's face, now he's got a shit face for acting a arsehole
Unwrap that box, smoke am on the bus, that parcel
I'm a king in the six and the whole of Brixton my castle
I mean the whole of south west, my castle
I got boxes of am plus skengs on the block with gunners like Arsenal
I ain't trying to go back jail, remember Thameside days I was chilling with
rascals
I smoke a whole load of am
Done a whole load of road for the gang
I smoke man in the face with the Colt
.32 same size as a can
I got boxes on boxes of am
The feds tried to arrest my team
Got stressed and I flew out to Dam
I came back with a whole nother plan
Them bitches be loving the gang
I don't even like that hoe I fucked that bitch cause I can
Cell time they be throwing me bands
We got beef in the streets
Push work, make money, buy guns then we bring it all out in the streets. (We
bring it all out)
Feds grabbed J with a.45 spin but bro didn't speak. (Free J)
His loyalties tied to the 6 and he let you all know what's street. (Yeah he
let you all know what's street)

Who are these youts, who are these brehs?
67k what where? You can get left right there
I can move food right here, I can move food over there
All the peng girls over there, say they wanna be right here
Who are these youts, who are these brehs?
67k what where? You can get left right there
I can move food right here, I can move food over there
All the peng girls over there, say they wanna be right here

There's bells in the dots
There's crayons in the mop if you like that's long
When manaman turn up at the dots, see man run, trip up and drop
Still OT with this white girl, with that white girl, ain't no average blonde
. (peng)
Crash man down on the backroad, speeding, couldn't give a toss about humps
Nuff amnes in my rizla, raas that now manamans all slumped
I do nuff road with the bros, but I fly OT and I'm two packs up
Remember young days those pushbike days with two shanks up. (blades, blades)
And we get the job done with skengs and a 4 door truck it's a must
Lost couple skengs but bro came back to the hood linked this link for some m
ore
So we bought more and we gonna get more
Trying to leave man hashtag floored
When 67 4's on the pitch, no referee man foul or score
When 67 4's on the pitch, no referee man foul or score
I just spoke to J on the phone, it's gonna be time till he's home. (free SJ)
Mad pissed for my bro, but meantime manna put food on road. (brrrrr, brrrrr)
300 Pebs of both mana watch all that go. (brrrr, brrrr)
I can never be laid back and my phone never goes slow. (never)

Who are these youts, who are these brehs?

67k what where? You can get left right there
I can move food right here, I can move food over there
All the peng girls over there, say they wanna be right here
Who are these youts, who are these brehs?
67k what where? You can get left right there
I can move food right here, I can move food over there
All the peng girls over there, say they wanna be right here
