

(Rhum, Govament)

2 waps in the the car got a spinner n shot gun the dots in the back but the
spinners doing shotgun
You think your a driller cause they made you lock one you ain't tryna pull u
p n pop one
Nuff machines that we keep on these sides turn mans whole drink up to a smok
e up
My young hittas still outside shaving away mind they come pull up n cut sum

England, Bad Man, Yaad Man, Bad Man, London, Brixton, Tottenham
No cap, no caption, bolt action, hold dat, bam, we don't chat long
Gun smoke and bam, funds, dope and gyal, designer beats no local brand
Designer bitch no roll common mi find a pitch di vocal trang

I might slide on your block or fund that drill
Who don't hear must feel the sten come big like shaq o Neil bad boys inda en
dz but just not like will
The Feds onda gang for some shit like phill
Do a drill for my bro I will put my hands inda air I will, I will

Looking for dogs ain't tryna hit pickneys
Weneva kwengers step unoe it gets risky
Man a man pour whisky on the floor now his wholes blocks tipsy
She wanted nov but I took her to Dixie
Mac onda string bro had in it in gipsy
She wanna fuck widda kwenger, baby girl I garn lock this beretta
Bang for bro anytime any weather make a drop like a falling feather
Moretime I gotta move clever unoe me I'm in love with my cheddar
Hammers deh deh for any vendetta
But the gangnem still roll widda wetta

2 waps in the the car got a spinner n shot gun the dots in the back but the
spinners doing shotgun

p n pop one
Nuff machines that we keep on these sides turn mans whole drink up to a smok
e up
My young hittas still outside shaving away mind they come pull up n cut sum

England baddness, yaad man baddness, bare fat pum pum, bad bitch
The glock buss, boom boom, rapid, chip, brrrrrrp
Gal a hitch up pon mi drip (You)
A tell me she no average chick, she want to spit up on mi dick

They kno say the 6 get drilly scary site wen I pull up with scribz n skrilly
It's silly 24 years they gave wiggy coz he put him to sleep when he slapped
him silly
My man tweaks on the net but you still don't know who shot ya damn like bigg
ie
Wer known for the blickys n Chingys 3 dip dat he was way too chingy
I miss when I used to pull up with ASAP if things looks fishy then mans gett
ing fishy
Don't get done up like... in front of your friends then start tweaking it's
silly
...tweaking how much of your friends got done up again and again your silly
I'm ot talking to a man bout shoes and laces vintage 1s not the latest

Shits ways too Brazy please don't start me
2 man step I'll get the dots you get the car key I don't need a army
I'm paro as fuck so I'm smoking Cali my young g wanna spill juice so badly
He got hit now he's like movin bambi
I heard he got packed so I built one gladly

2 waps in the the car got a spinner n shot gun the dots in the back but the

Machines out... watch everyone lift up
Da bines coming out concurrently... it's long wen it's jam an stick up
Bro sent my man to his creature, he's all at the gate, like god please pick
up
An I can't give every gyal this good boneing, nuff of these gyaldem mix up
Whole leap gyal love talk
An niggas love move an chat like bitches
We done sk wid them long life knives... that's over a 100 stitches
M's bin bro from the sandbox, he's got a smoking opp addiction
If you take to long to reply, safe, now she's doing up subscriptions
I ain't never see scribz fold...
I'll tell you it's not a good move attempting to step on mans threshold (woi
)
R6 fresh home (woi)
Graveyard fresh home (woi)
Shak would have bin here wid man charging... I'm there wen he lands
Couldn't forget my days, fully on job, it's the on sight gang (woi)
