

## Illegal 2 (Serving)

67

Up and down these back roads I'm serving  
I ain't 9 to 5, I'm full time, that's working  
She loves the gang vibe, got these bad B's all twerking  
We get this, we do that, that's serving

Still lurk 2 L's, bruckback and bells  
Still put food on scales, ammi buds I inhale  
6 gang to the world got peng tings throwing up a 6 as well  
Big.44 in the party but bro walked in with the gauge as well

We get this, that's all day like Kanye  
Shouts my young boss, his work rates like Kante  
I move kilos, I bench press some mad weight  
I ring trap from early and go home when it's mad late  
They ain't mashed no work  
They wanna do Twitter and act  
Like I weren't letting skengs go, way before I knew I could rap  
Way before they talked about bandos, I was up in the trap  
They ain't never bought skengs, they ain't seen no racks  
Way before skengman, skeng was skenging at them  
Life's a setup, got me tryna smoke at friends  
I'm on the 6 with bros, done stepped with Scribz and M  
Bad B in my room, peng girl telling me I'm peng  
Them man there ain't gang, them dons there some begs  
These nerds come from kway to drill dead and aim at legs  
Take risks and prosper, move grams and push them Z's  
Still pulling up in a 4 door, still skrr round on peds

Up and down these back roads I'm serving  
I ain't 9 to 5, I'm full time, that's working  
She loves the gang vibe, got these bad B's all twerking  
We get this, we do that, that's certain

Still lurk 2 L's, bruckback and bells  
Still put food on scales, ammi buds I inhale  
6 gang to the world got peng tings throwing up a 6 as well  
Big.44 in the party but bro walked in with the gauge as well

Man still slide on the opps  
Big.44 spinners like who's really tryna get shot  
Slap corn on any estate, used to lurk back then with the dots  
Bro had the 10 doing raa raa, niggas tryna run on the floor and stuff  
Free J smoking loud on the wing, he used to bang that mash till the mash goes ping  
Free K smoking loud on the wing, niggas tried to take it there and got chinged  
Feds at my mums door, just pissed that my niggas them lidge  
Bro had a clean run, look at the gliss shine on his wrist  
He's on Peri talking loads like the 6 never gave him smoke and ching  
And she's on Twitter talking loads like the gang never shared and dashed that bitch  
Fuck all of the opps, I lurk on the blocks and I'll do it for 6  
I'll do it for gang, I'll break the laws if you ever put your hands on Itch and Sizz  
67 some drillers  
Whole leap of trappers  
Whole leap of packs

Whole leap of hammers  
You don't wanna see the.44's in the 4 door that's a madness  
Whole leap of fans  
Whole leap of cameras
