

Y.Sj (SRB Seperation confirmed)

67 (coming up on a staging the twin solid rocket boosters at 2 minutes 5 seconds)

9 O's on me, its so all mad up

Undies on the block once again, got too much to lose so I can't get grabbed up

Hair loose screws in my squad

They know about us, yea we moving a manner

My nigga do drills, you're an actor

Midfield trynna score like Kaka (mmm)

My guys doing drills and they fryin stuff

Everyone talk like this, talk like that

'none ain't riding us'

Been done drills with Gang

That's why Feds always trynna put time on us

Got me like that music long, ain't on piss but he keeps writing stuff

Stop all that palaver

Two L's let's lurk

Fill up the dinger, that's nothing but drama

On the way to the opp-block court on top

Man that shit was a mazza?

Better pray I don't clock mans face

The size of my blade got them running back faster

Free up my drillers, free up my trappers and free up my karma?

Everything done changed now

Still say 'act all road'

Step on my toes, guaranteed get layed down

Since a Yungun, man new but got trap like a cat? we finna get payed now

Tell a man what you saying can end all today

Add a 'K' that's a weigh out

Don't wanna see me sliding

Plus bill on the drill if we finding

Big blade on my waist, get drenched on your face long time I ain't fighting

Or I might take a trip to your block trynna get woosh with the mop I'm really trynna fry him

Or I might take a trip to your block trynna get woosh I ain't really trynna fry him

Young jigger in the cut, it's a mad ting
Been on the drive with the guys
Ten toes still nothing ain't happening
My guys fill up the ding nuff' ride I see everyone dashing
Till the day that I drop manna stay with the things and stuff no laking
Too much to lose so I can't get grabbed up (can't get grabbed up)
No phones on the ride
Don't touch that road cus the road got a camera
R6 and itch just air man out, head of crown man chatter (ching ching)
Fuck the Opp, Fuck the fedz, man free up the 6 (free em up, free em up)
Manna run up in your trap like 3 up the bits?
Lurky with the broom trynna clean up the strip
Got ops covering faces, make sure we don't see them in vids
Manna slide thru dem things
Talking bout scores but man got ching
Mans been lurking the block so what's the banter, just state a few things
I heard man talking like this, I heard man talking like that
Try slide through the 6 and get wacked
Go check out the chingers, check out the booters man on the way go back
