

You ain't seen bank rolls don't talk about casheen  
Pull up back out the crasheen see man dasheen  
Just got a packeen back out the cling start wrappeen  
On the motes with [?] smoking dope en route to the casheen  
Still tryna catch man lackeen.44 spin  
Brilliant masheen see that crasheen everyone dasheen  
I was in the trap cause money afi make so manaman stack that casheen  
I was in the trap cause money afi make so manaman stack that casheen  
Money afi make, so I take no breaks  
I was in the bando bored as fuck while you was tryna find you a date  
ASAP's kway doing numbers, he switch traps if the trap gets bait  
Money afi make ring trap man takes no breaks

Money afi make, ring trap ring trap manaman don't take no breaks  
Risk my freedom, hella risk that man take  
Early morning shots fam I ain't even used toothpaste  
But I still break a pack with my mates  
Money afi make, tell a young boy go buss it, don't be late  
I was in the bin man feds took all my mates  
Six man deep but man still drill up the place, the YGs be cray

Money afi mek man mek that  
Ain't got time for the chit chat grab a next pack then flip that  
Man send corn direct mans tryna make that diss track  
Two bells in that dot that brackey go click clack, 25 for an opp man risk th  
at  
All that four door talk man had them skengs on peds  
I ain't done a CBT still dashed away from feds  
Stood with a Q of dutch now I double up these Zs  
Add a 28 to the 28 the prof on that was 'mmense  
I stepped on your block and I stepped on grub  
Pure coke in the pyrex wrist work when I whipped that up  
Bad b in my bedroom and you know shes peng as shhh  
She can get all this dick I can never look for love

Money afi make, ring trap ring trap manaman don't take no breaks  
Risk my freedom, hella risk that man take  
Early morning shots fam I ain't even used toothpaste  
But I still break a pack with my mates  
Money afi make, tell a young boy go buss it don't be late  
I was in the bin man feds took all my mates  
Six man deep but man still drill up the place, the YGs be cray

Money afi mek man make  
I should have been in with bae but I was trying to build lines kway  
Smack down raw and some blades I just broke down a 28  
Threw a two and a Q and the pyrex came back looking like clay  
Like watch all the prof man makes  
Still keep skengs in the 'states  
Let me phone M screaming for the 40 he'll come round crashing off bait  
Spot that opp no talking whip that and whack man straight  
Even though I talk this crud I'm trying to stay away from the cage  
Cause that 23 bang up was cray, but not guilty was the verdict  
But I don't look cause I'm still lurking tryna do a man dirty red shirt him  
Got the German luges in the German  
Run a man down with the woosha  
The ting come big so my arms all hurtin'

Any opp nigga that lacks I guarantee a mans gonna close them curtains

Money afi make, ring trap ring trap manaman don't take no breaks  
Risk my freedom, hella risk that man take  
Early morning shots fam I ain't even used toothpaste  
But I still break a pack with my mates  
Money afi make, tell a young boy go buss it, don't be late  
I was in the bin man feds took all my mates  
Six man deep but man still drill up the place, the YGs be cray
