

Shootings on the main road  
I told my lawyer get the case closed  
Finesse you out your payroll  
This music's got me bait though  
I said this music's got me bait though  
I might chase opps and chase drinks  
But tell these hookers I don't chase hoes

I came through in a Volvo  
Then something got hit with a ten  
I flex with the skengs  
And I break down bitch in the ends  
My big bro warned me  
He said make sure you know who's your friend  
Only fuck with the 6  
Add a K you'll get dropped like a threat  
Niggas screaming 67k  
I'll be posting wherever you're at  
A thousand grams of the ammm  
Watch me turn that shit into cash  
Got no time for a re-up  
Got no time to be stressing my plaques  
I trap and I trap  
Cause I'm tryna put [?]  
Opps did me dirty  
Snitching and writing these statements  
Caught up with one of his niggas  
He got left on his back on the pavement  
Might have a gun in the party  
Get found if you fuck with the paigons  
I ain't fucking with niggas who's fucking with niggas  
Who's snitching and writing the statements

My bro got the light and the bobby  
Got bare YG's on the block  
Itching to dip somebody  
Stainless steel on the right  
On a pushbike riding to the drive  
Stab anyone add a K  
Put that shit on the guys  
In the whip with that smokey  
Something gone dead up tonight  
Look you don't know me  
But I'm putting in work on these guys  
Outside stepping  
Big rambo knife  
Fuck what you're repping  
I'll take your life  
Wanna beef with the 6  
You gotta pay that price  
Add a K and I'll be outside
