No time for a ho, I'm sitting in the trap tryna make it all go
I ain't gotta whiz, I'm still on my ten toes
Cutting through the city in cabs
I done so much trips for this dough
Gun hot like a stove
Cause these shooters, they cold
I'll do it and run off my knife work is sweet
I'll shave man bold
Feds tryna stop me but ain't tryna stop I'm tryna go go go
Mad nights in the trap and I'm smelling kinda mad but I do it for the dough
