

Waps Came 1st

67

The amount of money I'm gonna be making would hurt your parents feelings
You remember the class where I taught all how to make it rain
That's what I will be doing every single night

Yeah

Still up on the curb (Still up in the curb)
Fuck what you heard (Fuck what you heard)
Nuff time man risk man's life, from young man could've got bird (Yeah, yeah)
Shoutgun with bells in my bag, bro still had a MAC on burst (Normal, normal)
It's cold outside, I got my goose but the wap came first (Normal)
Still up on the curb (Still up in the curb)
Fuck what you heard (Fuck what you heard)
Nuff time man risk man's life, from young man could've got bird (Yeah, yeah)
Shoutgun with bells in my bag, bro still had a MAC on burst (Bow, bow)
It's cold outside, I got my goose but the wap came first (Normal)

It's cold outside, I got my goose but the wap came first (truss)
Yeah, hella man ran when the twelve dispersed (pow pow)
Can't come round here and play footie my nigga last time and that shit got r eversed
Fucking with the gang no sweat, that the first class to the dirt (Normal)
God strike me down if I ain't put in work
Stand to the streets but I ain't Lil Durk (nah)
You don't wanna get smoke big man, I advise you to fix up that smirk
Free Riala and Drizzy my guys put in work
T-house settings we doing let's lurk
Bro's in the kitchen he just locking work (Locking it)
Wildest in London, bro said that, you know its the truth (Yeah, yeah)
Unruly settings stepped in the mains with the spinners and broom
Rise up a clip on the side manakin challenge
Trust you all know what to do (freeze up)
My young boy dipped to my nut
Then put his track back in the zoom (Normal)

Still up on the curb (Still up in the curb)
Fuck what you heard (Fuck what you heard)
Nuff time man risk man's life, from young man could've got bird (Yeah, yeah)
Shoutgun with bells in my bag, bro still had a MAC on burst (Normal, normal)
It's cold outside, I got my goose but the wap came first (Normal)
Still up on the curb (Still up in the curb)
Fuck what you heard (Fuck what you heard)
Nuff time man risk man's life, from young man could've got bird (Yeah, yeah)
Shoutgun with bells in my bag, bro still had a MAC on burst (Bow, bow)
It's cold outside, I got my goose but the wap came first (Normal)

I got my goose but the waps came first
I love me a shawty, I love how it works
Slidin' too, I can take two turns
But bro done rang of the MAC on burst
Yeah yeah (two Ls)
Pick up the 4s, let's lurk
How many times them man do let's lurk?
To the point man made a whole tape, let's lurk
I love getting payed so I stay on my work
You wanna get payed, are you put in the work?
Bro came home from two and a half
No fuckin' rest man went straight back to work (Chill out)

See the mandem shinin'
18k and the VVs twerk
Rollies and Carties when we go party
If you ain't gang then you gonna get jerked
I get pissed off when I get stop and searched
Bros in the jailhouse again he don't learn
But fuck all pigs I wish they would burn (Fuck 'em)
Tie up my dreads when I count 10 quid
Still eat jerk chicken I don't care about squid
Spent couple pictures to fix up my crib

Still up on the curb (Still up in the curb)
Fuck what you heard (Fuck what you heard)
Nuff time man risk man's life, from young man could've got bird (Yeah, yeah)
Shoutgun with bells in my bag, bro still had a MAC on burst (Normal, normal)
It's cold outside, I got my goose but the wap came first (Normal)
Still up on the curb (Still up in the curb)
Fuck what you heard (Fuck what you heard)
Nuff time man risk man's life, from young man could've got bird (Yeah, yeah)
Shoutgun with bells in my bag, bro still had a MAC on burst (Bow, bow)
It's cold outside, I got my goose but the wap came first (Normal)
