The amount of money I'm gonna be making will hurt your parents feelings
You remember the class where I taught all how to make it rain
Thats what I will be doing every single night

Still up in the curb (Still up in the curb)
Fuck what you heard (Fuck what you heard)
Nuff time man risk mans life from young man, could of got bird
Shoutgun wit bells with my bang bro still had a MAC on burst
It's cold outside, I got my goose but the wap came first (Normal)
Still up in the curb (Yeah Yeah)
Fuck what you heard (Fuck what you heard)
Nuff time man risk mans life from young man, could of got bird
Shoutgun wit bells with my bang bro still had a MAC on burst
It's cold outside, I got my goose but the wap came first (Normal)

It's cold outside, I got my goose but the wap came first (truss)
Yeah, hella man ran when the twelve disperse (pow pow)
Can't come round here and play footie

Still up in the curb (Still up in the curb)

I got my goose but the waps came first
I love me a shawty, I love how it works
Slidin' too, I can take two turns
But bro done rang of the MAC on burst
Yeah yeah (two Ls)
Pick up the 4s, lets lurk
How many times them man do lets lurk
To the point man made a whole tape, lets lurk
I love getting payed so I stay on my work
You wanna get payed [?] put in the work
Bro came home from two and a half
No fuckin' rest man went straight back to work (chill out)
See the mandem shinin'
