

67 still on that stain shit (stain gang)
Think we give a fuck if your famous
You can turn in to a stain quick
If I rise da wap up and aim it (click clack)
You know everything we garn take it
We still in da hood we ain't made it (no!)

Had clips longer then my uncles shoes way before UK drill news
Bro still treating grub like a muscle out ere stretching bare food
Niggas look weird nowerdays I think they smoke food
You can be fuckin huge this corn will go through

6 gang pull machine fill up bet we drum up your block then you hear us again
like the track got pull up
You don't put in work don't flex in vids your a tramp with your hood up
3 waps up when I did it in the A that day with Siz and pulla
Yeah, I hear that shoulda coulda woulda all of that shit don't matter
Come round and show man badder pop my door watch everyone scatter Mazza
Lds old school like kappa wanna talk on my name better mention it right cos
this ain't a joke like Dappah
I come tru with a wap and dagger

Summertime on my block you can't cut thru it's cold as fuck
Winter time I'm moving low cos it's fucking hot
I don't want no cases so I'm here playing dodge the cops
Straight drop on the line it's going off, oh my gosh
Just picked up a pack now Ima get that gone
When it comes to the beef ask my guys they tell you I'm on
Bare gun talks there's Guns about
Rev rev I'll ride the Ped and make my shooter come gun you down

Please don't make man tell man go for it
Corn for beef for days, an we put that corn all over it
I like wen man try act like there not involved, man try loafing it
You might as well have said it with your chest, cah bro still opened it
We playing for keeps, got normal friends that just bang deets
I lay gyal down, I S A D an a man save sheets
You see St, I love little bro, the mans on grease
Wats that a ap, man tek mans tings don't you know mans teef

Lurking lurking Steve Irwin tryna find some prey
Black attire man hop out da car and make the wap beat like slay
S A D on your block anytime any day inda rain no delay
My nigga J might lurk n squeeze so it's best you pray today
Waps for days da mandem to kweffy

M & Skeng like Suarez & Messi
Slip on your block shit might get techy
Get done on your block like Rico in Belly
B4 waps the mandem were cheffy
You saw drills on telly
Mans outside widda gang getting Shelly
