Yeah, two drills, two days, but for them it ain't one  
Niggas talk smoke, they ain't even [?] guns  
I was really wapped up when we had no funds  
And fuck moving stationary, buss a move when the boydem come  
I'm in studio with Jay, smoking Cali with Rum  
I still think fuck nigga, look how far we've come  
I mean far we came  
It was T-house settings, whipping up some 'caine  
Or doing drills, masked up, back road on the mains  
Thinking ahh man, we caught that nigga again  
Free my bruddas on the wing, they ain't thinkin' bout gains  
Big up Tilly with his waps, cost more than your chains (Come on)  
Know I want the money, you can keep all the fame  
Pull up on a nigga, put his face in a frame (Like Van Gogh)  
These opps gotta go like damn moths  
Swang two arms, when it slammed off

Young, wild 'n' loose  
You know we had waps before Canada Goose  
Bruddas talk waps but don't even know how to use  
You know this gang shit will never end with a truce (No way, no way)  
Young, wild 'n' loose

Bruddas talk waps but don't even know how to use  
You know this gang shit will never end with a truce (No way, no way)

Niggas talkin' bout racks that they never had (None)  
And they're talkin' bout waps that they've never seen (Never)  
Keep a big .40 on me like an action man (Bow)  
Feeling like Carol, boy, the way they envy me  
The way they envy me, you would have thought they under me (Under me)  
The way they talk 'bout me, you would have thought their bitches had it on t  
o me (Bitches)  
I just pull up, let it dump for free (Baow)  
We poppin' out like Lil' TJ and Polo G (Gang)  
Let it pop for nuttin', whole team stay one hundred  
67 over everything, there's no discussion (Gang)  
If you fuck with my team then we got mob ties  
Real niggas round me, raise the gun crime (6 gang)  
Know we step correct, one inside the head  
Hammer day every time them bruddas make a step (Brap, brap)  
Don't take no disrespect, ask them boys, we been a threat (Ask 'em)  
Free my niggas locked up in the box and fuck the Met
