

Eventually We All Win

'68

Now understand
There's a heart of gold
But they will not know
For it's only once you're gone that they show
Oh-oh-oh, Oh
Oh-oh-oh, Oh
Oh-oh-oh, Oh-oh-oh, oh, oh, oh

But hold your breath and dance with me
Yeah!
Yeah!
Yeah!
Whoo!

Make believe
My heart and soul
Are worth their weight in gold
But my lucky break has already sold
Ho, Oh-oh-oh, ho
Oh, Ho

But hold your breath and dance with me
Yeah!
Yeah!
Yeah!
Whoo!

And if you hear my name
And if you hear my name
If you hear my name
It'll be too late
