

Well, now, don't you tell me to smile  
You stick around I'll make it worth your while  
My number's beyond what you can dial  
Maybe it's because we're so versatile

Style, profile, I said  
It always brings me back when I hear, "ooh, child!"  
From The Hudson River out to the Nile  
I run the marathon to the very last mile

Well, if you battle me I feel reviled  
People always sayin' my style is wild  
You've got gall, you've got guile  
Step to me I'm a rap-o-phile

If you want to battle you're in denial  
Comin' from Uranus to check my style  
Go ahead, put my rhymes on trial  
Cast you off into exile

Jazz and A.W.O.L, that's our team  
Step inside the party, disrupt the whole scene  
When it comes to beats, well, I'm a fiend  
I like my sugar with coffee and cream

Well, I gotta keep it going keep it going full steam  
Too sweet to be sour too nice to be mean  
Well, on the tough-guy style I'm not too keen  
Trying to change the world, I'm going to plot and scheme

Mario C. likes to keep it clean  
Gonna shine like a sunbeam  
Keep on rappin', 'cause that's my dream  
Thank Moe Dee for 'Sticking to Themes'

Now when it comes to envy y'all is green  
Jealous of the rhyme and the rhyme routine  
Another dimension, new galaxy  
Intergalactic, planetary

Intergalactic, planetary, planetary, intergalactic  
Intergalactic, planetary, planetary, intergalactic  
Intergalactic, planetary, planetary, intergalactic  
Intergalactic, planetary, planetary, intergalactic

We're from the family tree of old school hip-hop  
Kick off your shoes and relax your socks  
The rhymes are spread just like a pox  
'Cause the music is loud like an electric shock

I am known to do the wop  
Also known for the Flintstone Flop  
Tammy D gets biz on the crops  
68 known to let the beat

Now when I wrote graffiti my name was Slop  
If my rap's soup, my beats is stock

Step from the table when I start to chop  
I'm a lumberjack DJ Ad-Rock

If you try to knock me you'll get mocked  
I'll stir fry you in my wok  
Your knees'll start shakin' and your fingers pop  
Like a pinch on the neck of Mr. Spock

Intergalactic, planetary, planetary, intergalactic  
Intergalactic, planetary, planetary, intergalactic  
Intergalactic, planetary, planetary, intergalactic  
Intergalactic, planetary, planetary, intergalactic

Another dimension, another dimension  
Another dimension, another dimension  
Another dimension, another dimension  
Another dimension, another dimension  
Another dimension, another dimension  
Another dimension, another dimension  
Another dimension, another dimension  
Another dimension, another dimension

Go by the name of the king Ad-Rock  
Super educated, I'm smarter than Spock  
You ever tell me, you will agree  
Ain't no brother like the KRD

You know what I mean?  
Tell you, put the echo?  
Tell you
