

Hey kids, rock and roll, rock on
Oh my soul
Hey kids, boogy too, did you?
Hey shout, summertime blues!
Jump up and down with your blue suede shoes
Hey kids, rock and roll, rock on

Where do we go from here?
Which is the way that is clear?

Still hanging on that OG remedy
Shakin' up the world as we make a scene
So kick your heels up and dance to the beat and the melody

Yeah, alright!

Where do we go from here?
And which is the way that is clear?

I'm still hanging on that OG remedy
Shakin' up the world as we make a scene
So kick your heels up and dance to the beat and the melody

Alright

Rock on
Rock on
Rock on
Rock on (hey, kid, rock and roll)
Rock on
Rock on (hey, kid, rock and roll)
Rock on
Rock on (hey, kid, rock and roll)
Rock on
Rock on (hey, kid, rock and roll)
Rock on
