

It doesn't matter what you say  
Could always disappear  
They'll fall asleep and never wake  
No one would hesitate

Recollection?  
Fact or fiction?  
Revolution?  
Churches collapsing  
Falling around me  
Revolutionless?

It don't matter if you respect or believe  
'Cause she could eat you like a full-grown disease  
And I don't know if I got room to speak but  
You're a six foot man in the middle of a grave

I'm not scared, I'm just bored  
I don't know if I can help anymore  
And that's what terrifies all of me

Yea, Resurrect yourself  
Resurrect yourself  
Resurrect yourself  
Never underestimate the power of change

Resurrect yourself  
Resurrect yourself  
Resurrect yourself  
Never underestimate the power of change

Doesn't matter if you respect or believe  
'Cause she could eat you like a full-grown disease  
And I don't know if I got room to speak but  
You're a six foot man in the middle of a grave
