

## Track 8 O

'68

Hey!  
I still got a lot to say  
Maybe I'm wrong  
Maybe I'm right  
Maybe I can't give up the fight  
Until I'm gone  
Hey!

My bags are packed and I'm leavin' a stranger  
Hey!

Hey!  
Unlike the moment  
I'll be okay  
Clouds without rain  
Maybe I'm to blame  
But I fear I might be singing alone...

Clouds without rain  
I will never be

Hey!  
I still got a lot to say  
Maybe I'm wrong  
Maybe I'm right  
Maybe I can't give up the fight  
Until I'm gone  
Wow!  
Wow!  
Is it?
