

# Naughty, Naughty, Naughty

69 Chambers

Hurt me  
Make me pay for the things I have you do  
Make me bleed  
For getting you confused  
Tell her  
It's nothing it's nothing it's all a lie  
Talk is cheap but it can buy you time

[Chorus:]  
Naughty naughty naughty me  
So I stole the key  
And broke your integrity  
Naughty naughty naughty me  
Yeah I plea guilty  
But I'm not sorry

Sometimes  
There's only forward by crossing the line  
Don't be shy  
Losing control's no crime  
Behold  
Some day everything comes down to the core  
But I don't care  
All I want now is more

[Repeat chorus]

Naughty naughty naughty me  
I plea guilty  
Naughty naughty naughty me  
I'm not sorry

Naughty naughty naughty me  
So I stole the key  
And made you feel guilty  
But don't pretend to be sorry  
You're dirty just like me  
You're naughty just like me  
We both plea guilty
