

Another World

6arelyhuman

Use a napkin, 'cause I know your ass is messy, messy (Bleh, bleh, bleh)
I'm so pumped up in these heels and I don't think you ready (Bleh, bleh, bleh)

Yeah, my clothes skin-tight, and I'm feelin' sassy (Bleh, bleh)

Yeah, this shit that burn your nose, isn't just like some Pepsi (Bleh, bleh, bleh)

Use a napkin, 'cause I know your ass was messy, messy

I'm just pumped up in these heels, I don't think you ready

Yeah, my clothes skin-tight, and I'm feelin' sexy

Yeah, this shit that burn your nose, isn't just fuckin' Pepsi

One foot from the other, yeah, we goin' under

I just saw you down the street, I had to get your number

One foot from the other, yeah, we goin' under

I just saw you down the street, I had to get your number

I had to get your number, I had to get your number

I had to get your number, had to get your number

(Had to get your number, had to get your number)

From another world (Get your number)

From another world (Yeah-yeah, get your number)

From another world (Yeah-yeah, get your number)

From another world (Yeah-yeah, get your number)

Like cat, kitty cat, like cat, kitty cat

Steppin' on these bitches, like a mother fuckin' brat

Like cat, kitty cat, like cat, kitty cat

Steppin' on these bitches, like a mother fuckin' brat

From another world, never seen you here before

Rob the store, anything you're looking for

From another world, never seen you here before

Rob the store, anything you're looking for

(I had to get) One foot from the other, yeah, we goin' under (I had to get your number)

I just saw you down the street, I had to get your number

One foot from the other, yeah, we goin' under

I just saw you down the street, I had to get your number

I had to get your number, I had to get your number

I had to get your number

Number-number-number-number-number-number-

From another world (Get your number)

From another world (Yeah-yeah, get your number)

From another world (Yeah-yeah, get your number)

From another world (Yeah-yeah, get your number)

From another world (Yeah-yeah, get your number)

Ah, Ah, Ah, Ah

Ah, Ah, Ah, Ah (Yeah!)

From another world, never seen you here before

Rob the store, anything you're looking for

From another world, never seen you here before (I had to get your number)

Rob the store, anything you're looking for (I had to get your number)

I had to get your number, I had to get your number
From another world (Get your number)
From another world (I had to get your number)
From another world (I had to get your number)
From another world (I had to get your number)
