

crossy road

6arelyhuman

It's my bloodshot eyes, long-long nights
Got the right skin, you got the right eyes
I feel you pierce me, it tears me apart
I still love you even though you do-

It's my bloodshot eyes, long-long nights
Got the right skin, you got the right eyes
I feel you pierce me, it tears me apart
I still love you even though, you don't hav-ve-ve a heart

T-t-t-there's crossroad, I must quit on this stupid shit, I'm doing
Yeah, my real dream I'm pursuing like a star, you know, I'm shooting
F-feel like, I'm taking doubts, I'm never loosing
Going hard these bitches cruising, up late night these bitches snoozi-
ng, up late night these bitches
T-t-t-there's crossroad, I must quit on this stupid shit, I'm doing
Yeah, my real dream I'm pursuing like a star, you know, I'm shooting
F-feel like, I'm taking doubts, I'm never loosing
Going hard these bitches cruising, up late night these bitches snoozi-
ng, up late night these bitches

I got some shit, running through my brain, running through my brain
Yeah, uh
Running through my brain, running through my brain
Like, why, no appreciate, no appreciate, all this work, that I've don-
e

I just left, while I'm burn my skin, under the sun
Hop away, all these hours just to get my rent paid
Wha-What would they say, wha-what would they say, wha-
what would they say
Like really know what they say

T-t-t-there's crossroad, I must quit on this stupid shit, I'm doing
Yeah, my real dream I'm pursuing like a star, you know, I'm shooting
F-feel like, I'm taking doubts, I'm never loosing
Going hard these bitches cruising, up late night these bitches snoozi-
ng, up late night these bitches
T-t-t-there's crossroad, I must quit on this stupid shit, I'm doing
Yeah, my real dream I'm pursuing like a star, you know, I'm shooting
F-feel like, I'm taking doubts, I'm never loosing

You got some bloodshot eyes, long-long nights
Got the right skin, you got the right eyes
I feel you pierce me, it tears me apart
I still love you even though, you don't have a heart

Even though you don't have a heart, have a heart, even though you don
't have a heart, have a heart
Even though you don't have a heart, have a heart

Even though you don't have a heart, have a heart (Huh)
