Do you want my love?  
Do you want-  
Prettybitchsupreme (Uh)

Electronic I got that supersonic  
So come on bitch boy  
I know that you want it  
Let's get it in, I'ma suck it nice and slow  
Got the A plus head, you can feel it in your toes  
I'm so infectious, let me give you my dose  
So starstruck when I hit my pose

Oh, these men, they want my love (I said)  
They said, oh, these men, they want me love  
Do you want my love? (Do you want my love?)  
Do you want my love? (Do you want my love?)  
Do you want my love? (Do you want my love?)  
L-L-L-Love  
All these men they want my love, but they just get a sample  
I'm takin' all their money, try your luck with me, let's gamble  
Try your luck with me, give you time to see  
Why I'm, your new favorite currency  
Try your luck with me, give you time to see  
Why I'm, your new favorite currency

Do you want my-  
That Kid  
Bitch I'm selling pussy, I don't fuck for free  
I might drop an X pill in his island breeze  
Take his wallet then go on a shopping spree  
Might even buy my home girl double D's, uh  
I like to scam, scam  
Even my fans, fans  
I love the bands, bands  
More than I love grams, grams  
I'm not just any ol' cheap ho  
I'm cuttin' up lines in the château  
I'm a star bitch, you're just a shadow  
Pull up with unlimited ammo  
Do you want my love? (Do you-)

Oh, these men, they want me love  
Do you want my love? (Do you want my love?)  
Do you want my love? (Do you want my love?)  
Do you want my love? (Do you want my love?)  
L-L-L-Love  
All these men they want my love, but they just get a sample  
I'm takin' all their money, try your luck with me let's gamble  
Try your luck with me, give you time to see  
Why I'm, your new favorite currency  
Try your luck with me (Do you want my love?)  
Give you time to see (Do you want my-, want my-)  
Why I'm, your new favorite currency (Do you want my love? Do you want-)

Do you want my love?  
Pull up with unlimited ammo  
Pull with unlimited-unlimited

Pull up with unlimited ammo  
Pull with unlimited-unlimited  
Pull up with unlimited ammo  
Pull with unlimited-unlimited  
Try your luck with me, give you time to see  
Why I'm, your new favorite currency (Do you want my-, want my-)  
Do you want my-
