Kill-

6are-6are-6arelyhuman

Kill-

Kill everyone now

Condone first degree murder, advocate cannibalism, eat shit

Driving down the road, down the road, down the road

Hands off of the steering wheel, I had to let it go

Intrusive thoughts are in my head, I had to let them show

My vision's getting blurring and my body's turning slow

Mutilate me, drive you crazy, push the pedal, go one eighty

Don't fuck with me shit, get shady, don't fuck with me shit, get shady

Mutilate me, drive you crazy, push the pedal, go one eighty

Don't fuck with me shit, get shady, don't fuck with me shit, get shady

So I'ma drive, I'ma drive, I'ma drive, I'ma drive

I'ma drive, I'ma drive, I'ma drive

Drive-drive-drive-drive-

O-M-G, kill myself in the club light

I-H-Y, get the fuck out of my life

Knowin' 6arelyhuman, bitch we breathing in the Moonlight

Kick them to the curb if we don't get crunk right

I know why, I know you heart me baby

Here's my number, you can call me baby

(I know why, I know you heart me baby)

Mutilate me, drive you crazy, push the pedal, go one eighty

(Here's my number, you can call me baby)

Don't fuck with me shit, get shady, don't fuck with me shit, get shady

So I'ma drive, I'ma drive, I'ma drive, I'ma drive

I'ma drive, I'ma drive, I'ma drive

Drive-drive-drive-drive-

Wanna see my bones break, infectious, I got heartache

Put it all in a milkshake, stuff it in an Easy-Bake

Bitch I'm on the highway, kill myself on Friday

Catch me in the driveway, shoot me with the .58

Wanna see my bones break, infectious, I got heartache

Put it all in a milkshake, stuff it in an Easy-Bake

Bitch I'm on the highway, kill myself on Friday

Catch me in the driveway, shoot me with the .58
