I know a place that we could see
And I know a place
Where everything's meant to be
(When life get rough, don't look down)
(Just look up to me)
(When life get rough, don't look down)
(Just look up to me)

Let's just erase this, oh
J-J-J-Just erase this part of me
Let's just erase this
Oh, oh, erase this, erase this
Erase this, erase this

Erase it
Erase it
Erase it
You're not the one for me
L-L-Let's just erase it
Yeah, face it, yeah yeah yeah
You're not the one for me
You're like candy, I can taste it
But you're not good for me
(When life get rough, don't look down)
(Just look up to me)
(When life get rough, don't look down)
(Just look up to me)

Let's just erase this, oh
Just erase this part of me
Let's just erase this
Oh, oh, erase this, erase this
Erase this, erase this

I'm so wasted
Wasted yeah
Wasted, wasted yeah
Wasted, wasted
I said (Wasted)
