Shut up A.J
Don't know if I want to be Ken-Ken-Ken
Maybe I'll just be Barbie man-man-man-man

Eye-Eye-Eye-Eye-Eye-Eye-lash-lash-lash-lash-es-es-es-es-es-es-es-es-es
Eyelashes
Eye-Eye-Eye-Eye-Eye-Eye-lash-lash-lash-lash-es-es-es-es-es-es-es-es-es
Eyelashes

Eyelashes on
Feeling pussy again
So don't forget the bottom lash
Get glue, apply again
Don't know if I want to be Ken-Ken-Ken
Maybe I'll just be Barbie man-man-man

Lashes so big, they are ginormous
Every time I blink, yeah it's giving performance
Baby if I could, I'd put lashes on my organs
Maybe on four-leaf clover for some good fortune
Diva
Sassy like a zebra
I don't wait my turn
'Cause baby I'ma cheetah
Diva
Sassy like a zebra
I don't wait my turn
'Cause baby I'ma cheetah

Oh? Hell no
What happened?
My lash just fell in my margarita
You know what
Let me just pick that back up
Get some glue
And put it right back on

Some call it ugly, some call it gorgeous
I'm the pretty boy in Death City's little chorus
I just hit the beauty store, get in, yeah we're going shopping
I be at the pentacle like the cherry topping
Pop that shit on top yeah, right at the natural
Once I see it stickin', that's the holy mackerel
I just like my shit bigger than the capital
Then the capital

Then the capital

Don't know if I want to be Ken-Ken-Ken

Maybe I'll just be Barbie man-man-man
