Oh my god, Tara are you going to that party tonight?
Bitch I'm already on my way, where are you?
Ugh, I just have to like put on my outfit really quick
Hurry up!
Alright, let's ride

So I party like a rockstar, look like a pornstar
Everyday I go hard riding in my sportscar
Pull off in that V-8
Songs on replay
Spinning like a DJ
Make it look easy

Cause I go faster and harder
Faster and harder
I go faster and harder
Bitch I feel like a monster
I go faster and harder
Faster and harder
I go faster and harder
I feel like a monster

It's Tara Yummy bitch it's nice to meet you
Heard they hungry I'm here to feed you
Rolling in a v8 make it look easy
Spin the track, where the fuck is the DJ?
Baby fat in my juicy 2 piece
Looking back baby know you wanna do me
One shot bitch I'm shooting movies
Wanna copy but you're giving tubi

I wanna dance in the club right now
They playing Britney fuck it up right now
Cameras flashing yeah I love that sound
Step into the party just to shut it down yeah

Party like a rockstar, look like a pornstar
Everyday I go hard riding in my sportscar
Pull off in that V-8
Songs on replay
Spinning like a DJ
Make it look easy

Cause I go faster and harder
Faster and harder
I go faster and harder
Bitch I feel like a monster
I go faster and harder
Faster and harder
I go faster and harder
I feel like a monster

Faster and harder
Faster and harder
I go faster and harder
Bitch I feel like a monster

I go faster faster faster faster
Faster and harder
I go faster and harder
I feel like a monster
