So I party like a rock star, look like a porn star  
Every day I go hard riding in my sports car  
Pull off in that V-8  
Songs on replay  
Spinning like a DJ  
Make it look easy

'Cause I go faster and harder  
Faster and harder  
I go faster and harder  
Bitch I feel like a monster  
I go faster and harder  
Faster and harder  
I go faster and harder  
I feel like a monster

We turn it up, we don't give a fuck  
And we live it up you can't get with us  
I just need a buzz  
Let me roll it up in the Bentley truck with a two liter  
I look like I'm J-Wow  
Dance like I'm Deena  
'Cause I'm feeling so scene  
You're just giving John Cena  
'Cause no one can see ya  
When their eyes are on me  
I'm your strange addiction just like TLC  
You can't come into my crib this ain't MTV  
I feel like Suicidal-Idol too much ecstasy

Party like a rock star, look like a porn star  
Every day I go hard riding in my sports car  
Pull off in that V-8  
Songs on replay  
Spinning like a DJ  
Make it look easy

'Cause I go faster and harder  
Faster and harder  
I go faster and harder  
Bitch I feel like a monster  
I go faster and harder  
Faster and harder  
I go faster and harder  
I feel like a monster

Faster and harder  
Faster and harder  
I go faster and harder  
Bitch I feel like a monster

I go faster faster faster faster  
Faster and harder  
I go faster and harder

I feel like a monster
