Hey scene slut, I'm still cutting tonight  
That's why my wrists are so sore  
I know you got a boyfriend, but you're a whore  
Everybody drinking shot glasses on the floor

We be clubbing all night, give me some more  
Baddest in the club, don't check ID at door  
Yeah, we poppin' them bottles, two more shots, I'ma pour  
For you, I'm a whore, we love money galore

I said "Damn, I'm a sexy bitch" (La, la, la, la, la, la)  
I'm a sexy bitch (La, la, la, la, la, la, la)  
I'm a sexy, sexy bitch (La, la, la, la, la, la)  
I'm a sexy bitch (La, la, la, la, la, la, la)  
Everybody up in the club, put your hands up  
If you wanna get fucked up  
Baby, put your hands up  
Put your hands up  
Put your hands up  
Put your hands up  
Baby, put your hands up

Put your fucking hands up when we walk in the club  
Spending all night with some pretty rave sluts  
Tonight won't care 'bout a single thing, sippin' drinks, smoking wax  
It's 2012, these hoes so scene, I love them all  
I love them all so much  
But bitch, I won't ever be yours  
I'm gonna fuck you up  
Fuck good, so you ask me for more  
You're gonna dance with me  
Dance floor will forever be ours  
Got everything you need  
Give me head, I'll give you some coke

We be clubbing all night, give me some more  
B-Baddest in the club, don't check ID at door
