

Hiding under the fabric so no one can really find us  
I can't keep on go-go-go  
So forget about the past 'cause that shit is already behind us

6arelyhuman  
Yeah, I don't know where I'm going  
Don't where I'm going to end up  
Feel the water flowing  
Don't know when the waters gon' dry up  
Yeah, I see the signs you're showing how  
How will I ever recover?  
Yeah, my mind's forever growing  
B-But you'll never really know when your times up  
I feel like a needle sewing  
Hiding under the fabric, so nobody can ever find us  
I can't keep on going  
F-Forget about the past 'cause that shit is already behind us

I'm forever owing  
To the ones that designed us  
I'm forever owing  
To the ones that designed us

Don't know where I'm going  
Yeah, I don't where I'm going to end up  
Yeah, I feel the water flowing  
Yeah, I don't know when the waters gon' dry up  
I see the signs you're showing how  
How will I ever recover?  
Yeah, my mind's forever growing  
Y-You'll never know when your times really up  
Feel the needle sewing  
Hiding under the fabric so no one can really find us  
I can't keep on go-go-go  
So forget about the past 'cause that shit is already behind us

Still forever owing  
To the ones that designed us  
Still forever owing  
To the ones who designed us
