(6arelyhuman)

Vivian Westwood on my bag when I'm walkin' through
Bitches like to move they lips, but I ain't talkin' to you
You ain't got no swag, bitch, hah, you's a faggot
You's a junkie ho, you ain't breakin' habits
Gettin' active, baby, speak my language
In the GTR, yeah, I hit that lane switch

I got swag, bitch, hunnids comin' in, I make the money flip
Swag bitch, pink Glock, uh, Hello Kitty switch
Talk all that, make yo' face glitch like a Perc', bitch
Purchase new shit, uh (You ain't heard of it)
I-I-I-I-I got swag, I can make 'em mad
Pretty-boy shit, I'ma t-, I'ma take 'em back
I-I-I-I-I got swag, I can make 'em mad
Pretty-boy shit, I'ma-, I'ma take 'em back-back-back-back

Different-color diamonds, baby, it look like a rainbow
Clearin' hoes out like some motherfuckin' Drano
I'm at the tippity-top, while all these bitches, they flop

Yeah, I'ma smack a bitch with my Gucci flip-flops
And if you ain't own a Porsche, tell that bitch to kick rocks

I got swag, bitch, hunnids comin' in, I make the money flip
Swag bitch, pink Glock, uh, Hello Kitty switch
Talk all that, make yo' face glitch like a Perc', bitch
Purchase new shit, uh (You ain't heard of it)
I-I-I-I-I got swag, I can make 'em mad
Pretty-boy shit, I'ma t-, I'ma take 'em back
I-I-I-I-I got swag, I can make 'em mad
Pretty-boy shit, I'ma-, I'ma take 'em back
