L-l-l-l-leave it now

Your bangs hide your face, but you can move them over  
I-I look like I'm in Space, that's why I'm giving poker face  
(Your bangs) Hide your face, but you can move them over  
I-I look like I'm in Space, that's why I'm giving poker face  
Giving poker-  
Giving poker, face

Giving poker, face  
Giving poker-  
Giving poker, face, face, face, face

Give-give poker face, whenever I look at you  
Look back at older days, at the poker face

Let me live my fucking life, 'cause you don't know my story  
Yeah, take a step right back, you can't get in on this glory (Whole)
