I'm styling on the culm from my head to my toe  
They want expensive clothes, they want everything to know  
I want you to look at me, I want you to see  
All my beauty, wanna take a pic of me

Yeah, I wanna take a pic, as a flick, you're my XO  
I be in my room, taking selfies with my flip phone  
I got my leopard print on, I'm feeling so good tonight  
I'm looking so damn cute, I might start a fight  
You wanna take a pic, so take a pic, yeah  
Wanna take a pic, so take a pic, yeah  
Wanna take a pic, so take a pic, yeah  
Wanna take a pic, so take a pic, yeah

Paparazzi on a set, every time we walk around the mall  
Baby let's be honest, now you want us, don't get comfortable  
That bitch fuck with camera, she a dancer, big attention whore  
Think she like my status, she the baddest, tell that bitch to s  
strike a pose  
Strike a pose, strike a pose, strike a pose  
Strike a pose, strike a pose, strike a pose  
Strike a pose, strike a pose  
Take a pic, take a pic  
Take a pic, ta-take a pic

Yeah, I wanna take a pic, as a flick, you're my XO  
I be in my room, taking selfies with my flip phone  
I got my leopard print on, I'm feeling so good tonight  
I'm looking so damn cute, I might start a fight  
You wanna take a pic, so take a pic, yeah  
Wanna take a pic, so take a pic, yeah
