You're so ugly
You need to be cute, let's go
Yeah, that's hot

So I walk in the spot
And I'm seeing like who's hot (Who's hot)
Give it all I got
F-F-Fuck it, take a shot (Let's go)
F-F-Fuck it, take a shot (Yeah)
F-F-Fuck it, take a shot (Yeah)
F-F-Fuck it, take a shot (Yeah)
F-F-Fuck it, take a shot

Lipstick running down my lips (Hey)
Eat me like some chips (Hey)
Hand all on my hips (Hey)
Don't be shy
Lipstick running down my lips
Eat me like some chips
Hand all on my hips
Don't be shy (Give me that)

Suction
That special type of loving
That special type of fucking
That special type of sucking
Give me that, give me that, give me that
Suction
That special type of loving
That special type of fucking
That special type of sucking
Give me that, give me that, give me that

You're my drug, I want you closer
You can't leave me never sober
You're my drug, I want you closer
You can't leave me never sober
You're my drug, I want you closer
You can't leave me never sober

Okay bitch, it's time for round two

Pierce me like needle in my skin
Seeping deep within
Love is always where it ends
Save me from all my sins
Yes, I really wanna die with you (No way)
Can't lose this high from you

Suction
That special type of loving
That special type of fucking
That special type of sucking
Give me that, give me that, give me that
Suction
That special type of loving

That special type of fucking
That special type of sucking
Give me that, give me that, give me that

You're my drug, I want you closer
You can't leave me never sober
You're my drug, I want you closer
You can't leave me never sober
You're my drug, I want you closer
You can't leave me never sober

You're my heroin, I'll shoot it for you
Love how you lie, hate the truth
Yes, I really wanna die with you (No way)
Can't lose this high from you

Suction
That special type of loving
That special type of fucking
That special type of sucking
