

# Ur Vampire

6arelyhuman

It's a full moon and I'm out tonight  
You can see the light in the sky  
Wanna feel your lips and take bite  
Baby give me your guts, don't put up a fight  
One of me, but I'm seeing two of you  
I'm hungry for a feast, so what you gonna do?  
Save yourself, then you better run  
'Cause I won't stop until I see the sun

So get your body on me (Body on me)  
I can show you a fantasy (Show you a fantasy)  
Worship me and my vanity  
Tonight will be a tragedy

I'm a vampire, yeah, I'm goin' in for the kill  
Yeah, I'm a vampire, yeah, I do this shit for the thrill  
'Cause I'm a vampire, you can be my next meal  
It's 'cause I-I-I-I-I-I, I wanna feel

Blood dripping out of my mouth (I can't help it)  
I got some secrets to hide, I can't tell it  
I know there's some people around, I can smell it  
I've been roamin' 'round the dark, I'm so hellish  
Feel my silky skin, but please don't bite me  
I'ma feast all over your body until you're crying  
Wanna fight this urge inside, I'm trying  
Wanna say that's true, but I was lying

So get your body on me (Body on me)  
I can show you a fantasy (Show you a fantasy)  
Worship me and my vanity  
Tonight will be a tragedy

I'm a vampire, yeah, I'm goin' in for the kill  
Yeah, I'm a vampire, yeah, I do this shit for the thrill  
'Cause I'm a vampire, you can be my next meal  
It's 'cause I-I-I-I-I-I, I wanna feel

I wanna feel  
I wanna feel
