

## Be My Number Two

6cyclemind

Won't you be my number two?  
Me and number one are through  
There won't be too much to do  
Just smile when I feel blue

And there's not much left of me  
What you get is what you see  
Is it worth the energy?  
I'll leave it up to you

And if you've got something to say to me  
Don't try to lay your funny games on me  
I know that it's really not fair of me  
But my heart seen too much action

And every time I look at you  
You'll be who I want you to  
And I'll do what I can do  
To make a dream or two come true  
If you'll be my number two

And if you've got something to say to me  
Don't try to lay your funny ways on me  
I know that it's really not fair of me  
But my heart seen too much action

And every time I look at you  
You'll be who I want you to  
And I'll do what I can do  
To make a dream or two come true  
If you'll be my number...
