

Me  
I'm a part of your circle of friends  
And we  
Notice you don't come around  
And me  
I think it all depends  
On you  
Touching ground with us

I quit  
I give up  
Nothing's good enough for anybody else  
It seems  
And I quit  
I give up  
Nothing's good enough for anybody else  
It seems

Everything is temporary anyway  
When the streets are wet  
The colors slip into the sky  
But I don't know why  
That means you and I are  
That means you and I

I quit  
I give up  
Nothing's good enough for anybody else  
It seems  
And I quit  
I give up  
Nothing's good enough for anybody else  
It seems

And being alone  
Is the best way to be  
When I'm by myself  
It's the best way to be  
When I'm all alone  
It's the best way to be  
When I'm by myself  
Nobody else can say

Me  
I'm a part of your circle of friends  
And we  
Notice you don't come around

I quit  
I give up  
Nothing's good enough for anybody else  
It seems  
I quit  
I give up  
Nothing's good enough for anybody else  
It seems

I quit  
I give up  
Nothing's good enough for anybody else  
It seems  
And I quit  
I give up  
Nothing's good enough for anybody else  
It seems
