Another summer day  
Has come and gone away  
In Paris and Rome  
But I wanna go home

May be surrounded by  
A million people I  
Still feel all alone  
I miss you, you know

And I've been keeping all the letters that I wrote to you  
Each one a line or two  
"I'm fine and baby, how are you?"  
Well I would send them but I know that it's just not enough  
My words were cold and flat  
And you deserve more than that

Another aeroplane  
Another sunny place  
I'm lucky, I know  
I've got to go home

Let me go home  
'Cause I'm just too far from where you are  
I wanna come home

And I feel just like I'm living someone else's life  
It's like I just stepped outside  
When everything was going right  
And I know just why you could not come along with me  
This is not your dream  
But you believed in me

Another winter day  
Has come and gone away  
In Paris and Rome  
Wanna go home

And I'm surrounded by  
A million people I  
Still feel alone  
Let me go home

Let me go home  
'Cause I'm just too far from where you are  
I wanna come home  
I've had my run and baby, I'm done  
I've got to go home  
Let all be alright  
I'll be home tonight  
I'm coming back home  
Let all be alright  
I'll be home tonight  
I'm coming back home
