

Landslide

6cyclemind

I took my love, I took it down
I climbed a mountain and I turned around
And I saw my reflection in the snow-covered hills
'Till the landslide brought it down

Oh, mirror in the sky, what is love?
Can the child within my heart rise above?
Can I sail through the changing ocean tides?
Can I handle the seasons of my life?

Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older
I'm getting older too

I took my love and I took it down
I climbed a mountain and I turned around
And if you see my reflection in the snow-covered hills
'Till the landslide brought it down
Well if you see my reflection in the snow-covered hills
Well maybe...

Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older
I'm getting older too

So take this love and take it down
If you climb a mountain and you turn around
And if you see my reflection in the snow-covered hills
Well maybe...
Well maybe...
Well maybe the landslide will bring it down
