

Wait Or Go

6cyclemind

I've been hopeless
Waiting here in my door
From the top of my head
Down to this narrow floor

I've been so awake
And I've been so afraid
To know... To know...

Tell me what to do
I don't know why I'm hopeless
In this show
Tell me it doesn't hurt
If I'll find out
That I'm alone

'Cause I've been waiting for so long
Do I need to wait here or go

Wait or go... Wait or go...

'Cause I've been waiting for so long
Do I need to wait here or go

Tell me what to do
I don't know why I'm hopeless
In this show
Tell me it doesn't hurt
If I'll find out
That I'm alone

Tell me what to do
I don't know why I'm hopeless
Tell me what to do
I don't know why I'm hopeless
Tell me what to do
I don't know why I'm hopeless

Wait or go... Wait or go...
Wait or go... Wait or go...
