

## Interlude

6ix

(Always under pressure)  
Always under pressure, baby  
Lost but I found myself  
Feelings that I never knew  
I wish you could try  
So much going on  
It's hard for me to take the time  
It's hard for me to think out loud

And please don't wake me up  
Please don't wake me up  
I tried, I tried  
I said wake me up (Wake me up)  
Please don't wake me up (Please don't, please don't)  
I tried (Please don't)

I want it all, I want it all
