Most these niggas pussy, I don't get it (Let's go)
That's a fact how the fuck they act like they with it (Ayy)
They with it up and I'ma click it, big 50 ridin' my blicky (Ride it)
You know you ain't ducking that switchy (You ain't duck it)
Two buck, fifty track, hard
Two buck, fifty breakthrough
Every bitch in my city, my niggas gonna get 'em
Once I say it's up, they gonna hit 'em
I don't give a fuck if they kill 'em (Kill 'em)

Niggas die, hope for leg shots every day
That's I can name, hundred times that ain't go they way (They way)
I can name 20,000 hoes, I got fuck (Shit)
I guarantee you none of my bitches
My last opp quarter great, shot to the head
The nigga ain't dead, but he gotta see the SCAR ain't dead
I bet that shit remind him that he gotta get back
That nigga still ain't get back, that's a fact
And niggas still know I'm the king of my city
She ain't showing no pity, she ain't giving out 50 shit
Can't even fit in my memories this A50 clip
This shit get the ball, niggas dancing on some diddy shit
