

She suck my dick until she choke
She drink until her liver pop
I swear I only love her when that key up in her fuckin twat
Bust it open bring it back, [x4]
I eat her with my golds in I fuck her till she swollen [x2]
Bust it open bring it back [x4]

She callin me, texting me
Blowing up my fuckin phone
I ain't even fuck that bitch
All I did was catch the dome
Steady knockin on my door
I ain't even fuckin home
Bitches swinging on my dick
Won't leave me the fuck alone
Bitch leave me the fuck alone, bitch leave me the fuck alone
Im just riding with my dogs
We just tryna catch a bone
Just a squirrel in this world
Tryna bust a fuckin nut
I see you and fuck a smut
Why you fuckboys comfort smuts
Nigga where they do that at
When the mack clap its a dooby wrap
It's a death move black so u better run that for my death boys make that rug
er clap
Don't make me take my razor and open your face up
Don't make me take my razor and open your face up
Fronts and G's and grills homie
Scum life this ain't trill homie
Give a fuck about how you feel homie
Got a 38. And some pills on me
Got a lesbian bitch, suckin my dick
She know I ain't shit but she still on me
Still on me, still on me
She know I ain't shit but she still on me

She suck my dick until she choke
She drink until her liver pop
I swear I only love her when that key up in her fuckin twat
Bust it open bring it back, [x4]
I eat her with my golds in I fuck her till she swollen [x2]
Bust it open bring it back [x4]

Bitch gave me the twinkle
Cuz she don't wanna wait in line
I told her patience is a virtue
Baby you should take your time
Quit wasting mine
Wallah Dan from that Scumgang69
Scum life till the day I die, Scum life till the day I die
My momma told me change my life
But did I listen, hell no
My preacher told me change my life
But did I listen, hell no
My teacher told me change my life
But did I listen, hell no

I rep that Scum life 69 until I burn in hell yo

She suck my dick until she choke

She drink until her liver pop

I swear I only love her when that key up in her fuckin twat

Bust it open bring it back, [x4]

I eat her with my golds in I fuck her till she swollen [x2]

Bust it open bring it back [x4]
