Wait, wait, wait, I got them jealous again
They in they feelings again
Wait, wait, wait, cry baby, they crying again
'Cause they can't do what I can
Wait, wait, wait, and I'm still fresh out the can
Shout out my lawyer, Lance
Wait, wait, wait, bust down Cartier
I know you seein' the man
Wait, wait, wait, I just did it again
Watch me hit my dance
Ayy, ayy, ayy, I just got in that Benz
Run up a couple of M's
Ayy, ayy, ayy, poppin', I'm poppin' some bands
Watch me hit my dance
Ayy, ayy, ayy, I'ma still pop my shit
Got a few likes on the 'Gram, ayy, ayy, ayy
