

# Balenciaga Challenge

6LACK

Listen, okay? Let me just say this: if a nigga wanna fuck with me, he gon' fuck with all of me, he ain't gon' fuck with me sometimes, he gon' fuck with me at all motherfucking times, period. I ain't going for none of that bullsh it. You know, these niggas be out here tryna play mind games and shit with a bitch like, I ain't got time for that! You know what I'm saying? I ain't got time for that! Niggas ain't the only one that's getting money too, like, bitches is getting money too, nigga. My time is money, nigga! Don't waste my time, nigga!

I am not like these niggas, I be penicillin in the cut (woo)  
That mean I'm chillin' in the cut (woo)  
Made a million in the cut (woo!)  
I'm Balenciaga challenge  
Tryna find my balance  
Offset with the bag  
That mean I ain't goin' out sad (woo, woo, woo)  
My melodies came from everything I came from  
They talking to God, everything I got came from him  
Ain't no fatigue in my blood  
It's just a lot of weed in my blood  
Had to finish  
Keep running your mouth like Akademiks  
It's a everyday struggle  
But I still remain humble  
We can compare and all that  
But you know it ain't all that, yeah  
(Ayy, ayy, ayy, yeah, ayy)

I pick up the pace, up the pace  
I can never take a break (nigga, break)  
Then I brought my trouble where I stay  
So I cannot run away (yeah)  
I pick up the pace, up the pace  
I can never take a break (nigga, break)  
Then I brought my trouble where I stay  
So I cannot run away

800 racks in my safe (racks)  
Used to have dope in the base (dope)  
Nigga, I'm a north side native (north)  
I was never understood, they hated (no)  
Grow dope with the wolves with the slave (wolves)  
'Cause the P got shot and couldn't make it (pow)  
I had case after cases (case)  
I never switched up, 'cause I'm gangsta (rah)  
These diamonds is hue like Langston (rah)  
I wear diamonds and gold cause we ancient (ancient)  
She wanna expose me, she anxious (expose)  
Had to cut off my bro, on some lame shit  
It keep burnin' my soul that these lames switch (girl)  
The rings of trophy on banquette (yeah)  
I'm geeked up on codeine, I can't quit  
Got a bust down Patek, a plain bitch  
Had 'em bust that bitch, what her name is  
And my GO with the gang is  
You know that we armed and dangerous (rah)  
I'm havin' thoughts of knockin' 'em off

My mind is cautious

I had a heart til grandma had died and now I am heartless (heartless, hey)

I'm movin' smart, my money Colossus

Yeah, I pick up the pace, up the pace

I can never take a break

Then I brought my trouble where I stay

So I cannot run away (yeah)

I pick up the pace, up the pace

I can never take a break

Then I brought my troubles where I stay

So I cannot run away
